CONSTRUCTION OF WATERMAINS AND ROADWAY & DRAINAGE IMPROVEMENTS AVERY HILL and ALJEN HEIGHTS

Phase 1A
Avery Hill Road, Tucker Run, Windward Lane

Phase 2
Aljen Heights

WATER POLLUTION CONTROL AUTHORITY LEDYARD, CONNECTICUT NOTICE TO ALL RESIDENTS WITHIN THIS PROJECT AREA

The Ledyard Water Pollution Control Authority (WPCA) will soon begin installing new watermains to provide improved service to residents / businesses along the project area. The project will begin with Phase 1A at Tuckers Run and continue North on Avery Hill Road to the Ledyard / Preston Town Line. Upon Phase 1A completion, Phase 2 will begin Aljen Heights. It is anticipated that Phase 2 construction will begin late Fall and continue until Summer 2013.

General Contractor for the WPCA is Haluch Water Contracting Inc. of Ludlow, MA. The Phase 1A project includes a total of 13,000 feet of watermain. All properties within the Town's service along the route will be provided with a water service lateral from the new main to the property line. All work from the property line to the residence is the responsibility of the property owner. Residents within the project area are not required to connect to the new water line.

The following list of contact is provided for your use in the event of questions/problems/complaints:

Operations Manager	Groton Utilities Ray Valentini	860-446-4032
Project Managers	Groton Utilities David Corallino Groton Utilities Mike Weber	860-446-4033 860-446-4034
24 Hour Emergency	Groton Utilities	860-446-4000
General Contractor	Haluch Water Contracting, Inc. Main Office, 7:00am-4:00pm	413-246-5583 413-583-3196

Haluch Water Contracting will be working in the project area Monday through Friday, 7:00am to 3:30pm.

Access to ALL residences will be maintained during construction operations. Please use extra caution during construction operations in the vicinity of construction equipment.

THANK YOU
WATER POLLUTION CONTROL AUTHORITY

Request for Water Service Location Form

House / Building Location: _____
Owner's Name: (Please Print) _____
Owner's Signature _____
Mailing Address: _____
Phone Number: _____

The Ledyard Water Pollution Control Authority (WPCA) will provide a 1" copper tubing water service from the new water main to your property line during the construction of the project work. Should you desire a larger service or need additional information, please contact Michael Weber, Project Manager, Groton Utilities Water Division at 860-446-4034 or 860-446-4000 after 3:00pm.

Please provide a sketch with dimensions on the back or mark up this form to indicate the desired location of your water service. Return map or sketch to Eva or Michele at Ledyard Town Hall. If you have any questions please contact Project Manager Mike Weber at (860) 446-4034. A representative of the Department will contact you to confirm your water service location prior to installation. Please return this requested information within two (2) weeks of receipt of this letter or the service location may be selected by the Town of Ledyard.

THANK YOU
WATER POLLUTION CONTROL AUTHORITY
